CONNEXION is the leading Industrial Support Company in Pakistan, having head office at Karachi and branch office at Lahore, provides very effective supply network of Industrial Equipment / Instrument to our valued clients all over Pakistan. We are local agents of world-renowned manufacturers and maintain large stocks for and on urgent requirements of our customers. Having experience of sales and maintenance of equipment our motto is "long-term relationship with our esteemed customers and aim to excel every time they do business with us". We have associate office around the world, which give us unique advantage as local supplier. Thus we say CONNEXION is your local resource-worldwide. The true essence of service is being where you want us to be. We are the trendsetters and given new dimensions to industrial support mechanics. We have accepted all the challenges of increasing requirements of equipment and instrument of today's industries.
