We have a worldwide reputation for breaking new grounds, both in creating exemplary designs for our products and the way we trade. We are reputed manufacturer and exporter of Home Furnishing Items, Ladies Garments, Embroidery works and Zari Handicrafts items. We have already made a spectacular impression on the world of trade with our array of products and cornered a major share of market and that has helped us immensely to establish a niche for our products in this particular segment. Our objective is to produce and sell products that meets clientsand#39; specification on time at a highly competitive price. By strong determination and zeal to excel we lead the way to achieve the objective of being a front runner in this industry. Our products are....Custom Embroidery, Punching, Designing, Sketching, Monogrmming, Badges, Tags, Suitings, Floor Cushions, T-Shirts, Trousers, Shalwar Kameez, Kurti, Ladies Top, with Sequins Embroidery... Please...!! Feel free to contact for further informatio
