Dr. Essa?s Laboratory was established in 1987 by Professor Essa M. Abdulla (who was awarded the Eli Lilly Gold Medal for outstanding Microbiologist of the year 2000, by our celebrated Minister, Prof Ata-ur-Rehman) and since then has been recognized for its state-of-art and reliable diagnostic services. It is a pleasure to inform you that we are consecutively three-time recipient of CONSUMER CHOICE OF EXCELLENCE awards in lab category from all labs in Pakistan by the Consumer Association of Pakistan, given by Home Minister Sindh last year and Mashaallah we have received it yet again this year presented by Karachi City Nazim Kamal Mustafa, which shows our commitment and our passion to be the best service provider in our sector. We add the following details for your kind perusal: ISO 9000-2000 Quality Management Certified Complete Diagnostic Center?very few labs in Pakistan have this distinction. certified by PNAC (Pakistan National Accreditation Council) and PNRA. also having CSR dept
