Col (Retd) Javed Iqbal is a renowned trainer for PMP training in Pakistan. He is a mechanical engineer with an extensive engineering and project management experience of 35 years from Pakistan Army (EME), Fauji Foundation, UNDP, Heavy Industries Taxila (HIT), tank manufacture and tank rebuild, defense production, and projects in Saudi Arabia. He qualified PMP certification in good standing, as intimated by PMI (USA), from the PMI's latest PMBOK 4th Edition. Col (Retd) Javed Iqbal has conducted numerous Project Management Professional (PMP) trainings in Pakistan to date. He conducts PMP training in Islamabad, Karachi and Lahore. If you are a PMP aspirant and wish to grow in your career, whether it is civil, mechanical, telecom, IT or any other field, please use the links at left for more information about the PMP certification, and schedule for the next PMP training in Pakistan that you can take.
