W-Star Industries was established in 1985 with the vision of becoming the most reliable source of sports goods / ware, and glove supplier in the country, having the mission of total customer satisfaction with true, honest commitments and business ethics. By the time we started to import some item from different markets of the world which are not easily available in our country to maintain the standard of quality of our manufactured product. While archiving the international standard of quality of our goods. Instead of supplying manufactured goods to exporters, we ourselves did start exporting soccer balls and gloves in 1995 at the time having back-up excellent experience of more then 10 years. By the grace of God our standard and favorable prices increased the demand of our products in the world market. Our goods are high standard of quality is maintained by our most qualified, well experienced, expert persons by using to P class raw material, inspecting at each stage of its ma
