The steady growth and success of SSI as a leading business house were mainly due to the trust placed in the company by its customers and principals, which today include some of the most renowned names internationally. The mission of the company is to actively participate in national growth and economic development. Our highly motivated teams of the five business divisions fulfill this mission with a focus on their customerand#39;s needs. Since its inception, the goods and services provided by SSI have lead to improved productivity in the agro sector, engineering sector, transport, power generation and transmission projects. We strive to differentiate ourselves from competitors to achieve a leadership position in the market. Cement Ethanol Trucks, SUV, Mini Van, Car and Tractors Motorcycle Scooter, Three Wheelers and Engines Automobile Parts Machines, Dies and Moulds Electrical Fittings, Energy Saving Bulbs and Power Generation Electric Fans Coke Fruit Juices, Mang
