Respected Sir/ Madam, We are manufacturer of all kinds of beauty instruments and all kinds of disposable barber equipments with disposable Shaving Razors. Ladies Breast Enhancer Pump or Breast Aid Pump, Vacuum Erection Pump for Men, and Manicure, Pedicure, Beauty Care Instruments, Cuticle Nippers, Hairdressing Scissors and also surgical and dental instruments. The manufacturing work of all instruments and equipments is carried out on Automatic imported plants, Professionally we are engineers, and very well know the type, quality and nature of the steel. We do every thing ourselves, in our workshop. We can manufacture as per customer's drawings / specifications and samples. We are keenly interested to work with your esteemed organization and hope to have a chance to prove ourselves the best manufactures and participants as we are. You should visit our website www.sapsgroup.pk and find our worth all over the world. Thanks and waiting for your Sooner but Good reply. Regardand#39;s Sha
