About us: Fizza Surgical International manufactures surgical and dental instruments of Single-use and Reusable quality. Fizza Surgical International supplies standard quality healthcare instruments to many parts of the world, covering North America, Latin America, EEC especially Germany, Arab African countries, Middle East, Central Asian countries and Far East. Fizza Surgical International has made revolutionary changes in its manufacturing procedures from hand-made to most modern machinery during the last 3 decades. Highly skilled workers are proficiently working on these machinery multiplying production figures on one hand and having improved the quality of products to entire satisfaction of the customers. Fizza Surgical International is approved by FDA USA for Good Manufacturing Practice (GMP), and certified for ISO 9001, ISO 13485, and CE Mark. The materials used in production of these medical instruments conform to internationally recognized standards; viz. Grade AISI-410,
