BUSINESS MANAGEMENT CONSULTANTS is a firm of Management and Chartered Accountants established in 1999 to provide audit, financial management, taxation and accountancy related services to individuals, corporate bodies and Bilateral and Multilateral Organization. Over the years, the firm has grown to become a premium provider of services as Auditors and Financial Management Consultants, we have also developed associations with firms in other jurisdictions. We currently have representation in U.A.E. At BUSINESS MANAGEMENT CONSULTANTS we acknowledge that relationships have to be developed over time and only then can we as a firm add real value to the business of our client. We are therefore committed to providing the highest possible levels of customer service. We also have a modern and forward looking approach to business and our clients. As a result we take a personal interest in all our clients, and ensure that our work and client service levels are of the highest standards. The bene
