3A Diagnostics have its four corporate offices in Lahore, Karachi, Islamabad and Peshawar, along with its network of subdistributors in all parts of the country to reach to every hospital and pharmacy. Our extensive skills encompass all aspects of sales, distribution and marketing of high tech and life saving medicine. 3A

Diagnostics was started in 1999 as a small personal owned company. The initial product lines included Diagnostic Products, including rapid tests, ELISA Kits, PCR Kits and similar other products. The company expanded its business in many cities in only 2 years time. In 2002 Blood Glucose Monitoring System was introduced with the exclusive rights from Taidoc Technology Taiwan under the brand name Glucomonitor. This is one of the leading brands in the Blood Glucose Monitoring Systems at this time. In 2003 3A started its business Shanghai Xinxing Medicine Company Ltd. (SXX) that is a leading manufacturer of Plasma Fractionation Products in China. This included In
