This company has successfully been working in Europe for the last 20 years. KLEENOIL Winstar has also established their business in Turkey, Egypt and Pakistan. In this era of high cost of energy and consumables it is imperative to save energy and resources. In this regards KLEENOIL Micro filtration equipments can be very helpful to you. Micro filtration of all the hydraulic, lubricant, engine and fuel oils can increase their lives many fold. Thus you can save your expenditure on those oils, and have efficient and trouble free operation of the machines as a bonus. KLEENOIL products are placed in almost all kind of industrial facilities like generator engines, hydraulic loading equipment, lubricating systems of all machineries used in manufacturing and processing plants. Mercedes Benz, BMW and Toyota use KLEENOIL products in their pressing plants all over the world. Caterpillar and Liebherr use KLEENOIL by pass filters in the engines and hydraulic systems of their earth moving v
