Under the dynamic leadership of Chief Executive Mr. Furqan Ahmed in the year 1974 from a morsel 'Brothers Engineering Works' was established, after fighting the hard way managed to reach the heightening sky of success and a reliant organization as a glorious consequences of prowess, foresightedness, committed to goodness of working relationship and intellectual approach. Way back we started as a sheet metal stamping unit with limited die manufacturing units but over the time we reached the present status of success. In the commencement our only clients were Bela Engineering and NayaDaur Motors but presently it mounted to many in sequence, included in our clientele list are distinguish giants of Automobile industry like for instance. Atlas Honda Limited Pak Suzuki Motor Company Limited Sind Engineering (Pvt) Limited Philips Electrical Industries Pakistan Limited Dawood Yamaha Limited Suzuki Motorcycles Pakistan Limited Honda Atlas Cars (Pakistan) Limited Ghandahara Nis
