Dear Customers, I would like to take this opportunity to introduce our company, Golden CARDz Technologies , and we are one of the valuable companies in the industry of Producing and Manufacturing Plastic Cards. Nowadays, many businesses have been experiencing steadily rising prices and it will come no surprise to you that your company costs have been continuing to rise with the mentioned trend. However, our ultimate goal is to provide our client the highest level of service, while also providing valuable savings at the same time. We could provide your company the cards with excellent quality and quick turnaround production at a very competitive price(Our unit price starting from the lowest RPS.5/ pc). we provide the services not only for basic plastic cards printing but also a series of finishing services. e.g. Hole Punch; Strip Punch; Barcode; Encoding; equential Numbering; Scratch-off; Hologram / Foil Stamping; Signature Panels; Embossing, etc. If you are intere
