Marine World is the soul effort of Mr. Aziz and Mr. M.Hassan Khan, dedicated to provide excellent marine aquarium services locally to adorn your interior. Marine World has debuted a new trend line in salt water aquariums. It is a total service provider in commercial as well as residential aquariums. We are fully equipped with specialists and designers who know exactly how to address personal choices and preferences. We make sure that every aquarium we design and import, is different and unique from the rest. Marine World is maintaining a creative edge throughout Pakistan and is making sure to add on novelty everyday. It is an experience you will relish forever. Our company started with a zest to provide Quality aquariums in Pakistan. The need of time is to educate people the significance of professionally monitored Aquariums. Keeping marine fish at homes or work places is not enough ; It is their maintenance, which sustains life of marine animals and plants. People all around the World
