An I.J Plastic industries (Pvt) Limited is a Medium company. We deal in the manufacturing of P.V.C Shrink Film, P.E Shrink Film, Oil Pouch Film, Ghee Pouch Film and Lamination Film. It's an only manufacturing unit of P.V.C shrink film in the third largest city of Pakistan. We can make P.E sheets or tube up to 50 inches with desire gauges. Our manufacturing capacity of one month is up to 150 tons. We can provide P.E sheets in the form of sealed bags and sleeves as well. We have well designed factory outlook which is equipped with imported machinery and high skilled workers. Plastic manufacturing is a very delicate manufacturing process so we hired totally experienced foremen's. As we know we have to deliver our product to Food Companies so we use pure plastic Resin which includes LLD, LD, Cesa Process, Anti Static, HD etc. for the manufacturing of P.E Shrink or P.E Bags. We import our Raw Material directly from Qatar, Saudia Arabia, Kuwait, and Malaysia etc. We have highly trained an
