Direct Services provides quality electrical service for industrial and commercial buildings as well as residential projects. As specialists in the service market, we have built a substantial base of over customers. From our location in Waterford, we can efficiently serve our many. Direct Services has the combined experience of providing quality electrical service for industrial and commercial buildings. Direct Services commitment to excellence is reflected in our team of top notch employees. Our customer service team, service managers and electricianand#39;s are skilled technicians who are qualified to trouble shoot and solve your electrical problems. Ranging from simple maintenance to new installation, Direct Services can solve your problems promptly, efficiently, and at a fair price. Our reputation has been built slowly and with a considerable amount of effort. We protect our reputation by approaching each new job with the same care and consideration as we did on our very first job.
