WARSAN'S Homeopathic Laboratories since its inception in 1977 has become a recognized name for quality medicines and ethical marketing practices. We have a diversified product portfolio of over 200 products manufactured at our own newly constructed, state of the art facility located at Ferozepur road which is striving to achieve full GMP compliance and ISO systems (9001:2000 and 14000) certification. The Plant is headed by Mr. Rafique Ahmed who is a senior Pharmacist carrying an extensive experience of handling such facilities in the Pharmaceutical sector of Pakistan. Moving on the road to success under the dynamic and vibrant leadership of our Chief Executive, Anwaar Elahi, Warsan is striving to become a Company par excellence in its management and marketing practices. To realize our dreams of expanding future horizons, we have recently developed our Medical and regulatory department headed by a Medical Advisor carrying a vast experience of working in the same capacity in co
