The Enclaves is a holiday resort located on main super highway, only 37 km from the heart of Karachi and merely 8 km after the toll plaza. The resort has luxurious cottages that are fully furnished and air-conditioned, with exclusive gardens, swimming pools and barbecue area. The charm of enjoying in a peaceful environment with sunset taking place right in front of you and experiencing chilly fresh breeze during evening hours without interference of other visitors in a green ambiance. The Enclaves resort has been designed and built exclusively for our corporate clients and is available on rental basis. Due to the lack of exclusive holiday spots in our region, the concept behind the Enclaves was to provide the corporate community with a safe and accessible facility where executives and their families can go for a breather, be it in the form of a casual picnic or an overnight stay.
