INTERNATIONAL INDUSTRIAL SOLUTIONS (PVT) LIMITED Mission Statement and

Introduction: Our vision is to be The Professional's First Choice as a supplier, engineering and consulting company and solution-provider to various process related industries, alternate energy and power sector in Pakistan. In all that IIS does, it strives to be a solution-provider ? whether it is related to the supply of plant machinery and equipment, spares, raw materials, consumables, or to the installation and commissioning of the plant and equipment or providing a detailed engineering solution or even consulting services to various industrial sectors in Pakistan. Within this vision, IIS builds on its powerful and extensive relationships with various suppliers globally and markets products and services to provide value to its customers and clients through accurate, latest and current, leading edge technology, industrial solutions and expert information and services coupled with superior customer service.
