

PERFECT ENGINEERING

Plot # B-3/3, Near Lalazaar & Nargis Cinema Quaidabad.
Karachi, Sindh
Pakistan

Phone: 0332-2144748

We are an Engineering company established since 2000. Our services can be broadly categorized into "Fiberglass Fabrication" and "Steel Fabrication". We are based in Karachi, but we have capacity to complete very big projects all over Pakistan. We have large working area available, sufficient labor resources, and readily available contractual labor option, which enables us to complete big assignments in short span of time.

Contact Person: Umer Iqbal
Business Type: Service Provider
