

IPL 10 PERSONAL LASER HAIR REMOVER

83-C S.I.E
Lahore, Punjab
Pakistan

Phone: 923446349979

Intense Pulsed Light (IPL) Laser Hair removal system.

Introduction

IPL-10 is based on IPL (Intense Pulsed Light) technology which is regarded as the most effective and safest in today's markets. The FDA's definition of permanent hair reduction states that after the treatment is finished a minimum of 30 months without any growth must be observed. IPL-10 is the most innovative hair removal device for use in privacy of your own home.
