Hydromech Corporation is an Uppal Group company that was founded in 1962. Since its inception, Hydromech has developed into a well-known supplier of pumps, motors, valves, and other related items to industrial and agricultural customers. With the numerous opportunities emerging as a result of the rapidly changing business scenario, Hydromech Corporation has moved ahead confidently with a strong emphasis on quality, reliability, and cost-effectiveness. Thanks to the relentless patronage of its prestigious clientele, Hydromech Corporation continues to provide its products and services to the paper, oil, food, sugar, engineering, textile, and many other industries. Additionally, High-Efficiency Irrigation Systems (HEIS) installation and Solar system installations are now added into our repertoire of services.
