Phone: [+92-42] 36545346-3654534

Our product line includes multifarious products ranging from fiberglass pipes to large diameter fiberglass storage tanks. We are the pioneers in introducing molded and pultruded FRP Grating as well as Manholes and Manhole Covers. Moreover, we have been building and installing Cooling Towers since more than last 2 decades. FCI provides both complete cooling towers and replacement parts of already installed cooling towers. We are providing safety items i.e. Insulated Ladders, Disconnecting Sticks, Grounding Set to Wapda and all GENCO's.
