Interneur.pk, the tech-based startup company representing the internship culture of Pakistan.

Interneur is a Tech Startup that offers internship opportunities for students with its partners including 5-star hotels, airlines, international and local banks, multinational companies, etc. Interns will be provided with an opportunity to work with some of the best organizations in Pakistan on real-time projects during their semester break. The Internship programs offered by Interneur range from 3 weeks to 6 months

internships and also include a stipend. This allows interns to gain hands-on experience while earning money at the same time.

Interneur has already partnered with various industry leaders from diverse fields

including Marriott International, Airblue, Lufthansa German Airlines, etc.

Interneur.pk can help us in our goal of promoting internship culture in Pakistan.

We are looking to collaborate with companies that are looking to hire interns.
