Sami and Co Accounting, Business and System Consultants. We're glad you stopped by. Wherever you are, we would be happy to be of service to you. We are a Pakistan-based ACCA APPROVED EMPLOYER providing various business consulting services to domestic and international businesses since 2008. On these pages, you will learn about a dynamic, fun, and accomplished organization. We hope you will also discover what a passionate organization we are. While passion isn't a trait you often associate with an accounting and business consultancy organization, the people who are Sami and Co feel passionate about some important things: We care very much about our clients and their success and we care about each other
