Pakistan

Phone: 03215226898

Headquartered in China, Yankon Lighting has specialized in the lighting industry since 1975 and currently has 10,000 employees across the world. A publicly listed company on the Shanghai Stock Exchange, we are one of the leading manufacturers of LED lighting products anywhere. Industry-advanced technology and innovation has propelled Yankon to increasingly rapid growth. The Dallas site opened in 2015 with a focus on serving the market. Our mission is to provide the most efficient lighting solutions to support a greener and brighter world. We aim to exceed customer expectations by providing superior LED lighting products and unmatched customer service.

Our Product Range Include:

Yankon Led Bulbs (12-watt & 18-watt)

Yankon SMD Downlight (7-watt & 12-watt)

Yankon Rope Light

Yankon COB Downlight (7-watt)

Yankon Battens (40-watt)

Yankon Tube Rods (14-watt & 16-watt)

Yankon Flood Lights (10-watt, 50-watt & 100-watt)
