Our satisfied customers include from walk-in to high value private corporate customers as well as public listed companies. We have served NADRA, NUML, UNHCR, WAPDA & various other institutions. We have all kinds of internet of things as well as computer & networking accessories and all kinds of power generation equipment & we do provide maintenance services for the same. We also carry out repairs of computer equipment and servicing them for the better performance. We have installed portable as well as industrial petrol & diesel generators (new & used) for valued customers.

Contact Person: Zahid Bhatti
