

Spencer West Pakistan

Islamabad
Pakistan

With a high calibre team of lawyers in the region, our team is led by Michael Parker, formerly a Senior Partner of Clyde & Co and now leading Spencer West's Asia Pacific and UAE-based Middle East team.

The team in Pakistan is spearheaded by Ishtiaq Chechi, who is qualified to practise in the UK, DIFC and Pakistan. Spencer West has a strong and growing presence across Pakistan.

Via offices in Islamabad, Lahore and Karachi, operated alongside highly regarded local law firms with whom we have close affiliations, our clients have access to legal experts across a range of practice areas, including corporate, commercial, dispute resolution, taxation and private client. Our legal experts focus on a diverse range of sectors, including TMT, life sciences and healthcare and transportation. We advise clients across the full spectrum of business law matters in relation to their activities in the region.
