

DPC Services (Disinfection and Pest Control Services)

26, Lahore, 54792, Pakistan
Lahore, Punjab
Pakistan

Phone: +92 333 4525554

Disinfection and Pest Control Services (DPC) focuses on creating hygienic environments for commercial and residential properties. DPC provides a full range of Fumigation Services and Pest Control Services nationwide.

DPC is an ISO9001-certified service provider in Pakistan. DPC is associated with renowned A-class national and multinational companies in Pakistan. DPC believes pest control is a highly specialized subject. The choice of suitable practice for controlling a pest problem requires thorough knowledge, of the behavior of the particular insect, its life cycle, and changes imposed on it by weather and season.

DPC works in the industrial, residential, and commercial sectors offering pest control services, disinfection services, water tank sanitation, bed bug treatment, termite control, cockroaches, rodent control, mosquitos control, and many more.

Business Type: Service Provider
