Over the past decades the transport and cargo shipping industry has seen enormous growth in the Asian, European, Middle Eastern, African and Far Eastern regions. Taking the market into consideration we identified the need of assistance that could re-engineer shipping activities to support the local needs of each region and maintain the global accords of shipping as well. The Oceanic is a large diversified conglomerate business with roots originating in Pakistan since 2013 and expanding out in multiple continents adhering to organic growth in half a decade. Oceanic has two brands: Oceanic Star Line Limited a box carrier with owned huge fleet of assets 20s and 40HCs, works slot arrangements with carriers, and Oceanic Projects Pte. Ltd. based in Singapore, with owned Flat Racks, Open Tops, 45 Units and Reefers. Additionally Oceanic has own subsidiary offices in Dubai, Malaysia, Singapore, Europe and Pakistan. With growing need of times the addition of our foreign offices will continue.
