Pakistan-Afghanistan Joint Chamber of Commerce and Industry (PAJCCI) PEACE & PROSPERITY THROUGH PROMOTION OF BI-LATERAL TRADE BETWEEN AFGHANISTAN & PAKISTAN. The formation of Pakistan-Afghanistan Joint Chamber of Commerce and Industry (PAJCCI) is a breath of fresh air for both the countries. Despite existing political upheavals and sensitive socio-cultural issues, the push for economic collaboration from business community across the border has always been explicit. The economic platforms are eagerly rethinking their bilateral relationship and discussions are underway with respect to reviving the economic ties, curtailing smuggling and preventing flow of prohibited goods. This pressing need was sensed by business representatives in both the countries and they mutually agreed to establish a cooperative body on a private initiative in order to bring the business communities of the two countries closer together.
