The Legal Lines aims to be the most innovative law firm by establishing long-term and friendly relationships with its valued clients, based on the principles of honesty, reciprocity, trust and the highest standards of professional ethics. By adopting new and modern models for the delivery of legal services, we are striving to redefine the role that a law firm and a lawyer plays in an emerging market in order to achieve truly exceptional results for the clients. The Legal Lines believes in absolute commitment to the representation of our clients interests and take pride in protecting the right of our clients. Thorough legal research and case preparation, honest, dedicated advice and experienced advocacy based on an in-depth knowledge of the law are the hallmarks of The Legal Lines team. The sole measures of our success are concrete results and clients satisfaction. The provision of a broad range of legal services to such a diverse clientele allows us to bring innovations towards solving complex legal issues. The solutions we provide to our clients are comprehensive, innovative and most importantly viable. The Legal Lines has the expertise in Trademark, Copyright and Patents Registration from Intellectual Property Organization (IPO), Consultancy and Litigation regarding their infringement. We also provide a complete guide for new Start Ups like new company registration and consultancy, SECP cases, inquiries and replies of notices. Our team also has experienced team for dealing family cases i.e. Divorce, Khula, Child Custody, Maintenance, Second Marriage. Another area of our expertise is Taxation Laws as The Legal Lines has best experienced team for Income Tax Filing, Sales Tax Filing, Replies of Notices of FBR, Filing of Appeals before Commissioners

and Appellate Tribunal and filing of Writ Petitions in High Court. This blend of exceptionally trained and experienced team coupled with an in-depth knowledge of the laws places us in a unique position in the market.
