Please accept our sincere appreciation for your consideration of The Searle Company Limited. We are committed to our mission of creating cutting-edge pharmaceuticals and consumer healthcare products to improve health and extend human life. The primary focus of Searles strategy is on new therapeutic areas that promise to be safer and more effective in the treatment of serious diseases. Together with the HEJ Institute of Chemistry and under the direction of renowned scientist, scholar, and educator Dr. Atta-ur-Rehman as well as the Department of Chemistrys Head, Dr. Iqbal Choudhry, Searle has established a cutting-edge R&D Center at the University of Karachi. Due to the Searle familys wealth of expertise, we have been able to identify and develop compounds with significant therapeutic potential.
