GFR Enterprises is a family owned company founded in 2009. The founder of the organization is Muhammad Gulzar He started the company on a very small scale and now it has been developed with its own manufacturing unit covered area

GFR Enterprises is one of the few companies in Sialkot – Pakistan with full development and production capabilities. We pay full intention in our production while manufacturing the Goods and have full control on all the departments that ensures products are the most acclaimed in the industry.

We have the products being manufactured using the latest methods, machines exactly according to the International Standards keeping in view the price matter which is also important for our business to get orders on regular basis.

We are also get registered with associations such as SIALKOT CHAMBER OF COMMERCE, PGMEA, PLGMEA, PRGMEA.

We have very good overseas famous brands working with and they are quite satisfied with our top quality items, immediate deliveries and competitive prices.

We are also specialized and have a very vast knowledge in manufacturing the Custom Made Suits at a very reasonable prices.

We are always seeking new vendors throughout the world via Internet Search and by exhibiting the shows such as EICMA, INTERMOT, ISPO, DEALER EXPO etc, etc.

We are hopeful that we are given a chance from your well esteemed company to establish a great and long-term business partnership.
